

CONTENTS

Solar reality	Page 6
Electrically self-sufficient	Page 10
Solar modules	Page 12
Solar regulators	Page 14
Batteries	Page 16
Battery charging	Page 17
The state of charge	Page 18
Generators & fuel cells	Page 19
Inverters	Page 21
Refrigerators	Page 24
Lighting	Page 26
Water & pumping	Page 28
Computers & TV	Page 30
Communications	Page 31
Scaling the system	Page 32
Solar module output - flat	Page 36
Solar module output - angled	Page 37
Example systems	Page 39
Extra-low voltage wiring	Page 47
Low voltage wiring	Page 53
Installing batteries	Page 57
- solar modules	Page 60
- solar regulators	Page 65
- fridges	Page 67
- various	Page 70
Fixing problems	Page 73
Living with solar	Page 74
Our own vehicles & systems	Page 76
Electrics vaguely explained	Page 79
Making contact with suppliers	Page 80
